

## Smart Laser Distance Meter

### Features:

- Compact and portable
- External screen
- Multi-function LCD
- High precision
- Harmless laser
- 6 x optical
- Vibration hint
- Flagpole lock mode
- Golf mode
- Built-in 750mAh rechargeable lithium battery

### **Model: LM800A**

### Specification:

Accuracy:  $\pm 5\text{m}$

Measuring Range: 800 Meter

Angle Range:  $-45$  degree  $\sim$   $45$  degree

Measuring Unit: M, Yd

Battery: 3 V, CR2 x 1

Tilt adjustment  $-20$  degree  $\sim$   $20$  degree

Angle Accuracy  $\pm 1$  degree

Laser Wavelength 905nm

Eye Safety FDA (CFR21)

Field of view 7 degree

Magnification: 6x

Objective Lens diameter 22mm

Lens diameter of the lens 16mm

Output pupil diameter 3.7mm

Dioptr  $\pm 5\text{D}$

Dioptr adjustment lens adjustment

Operating temperature  $0\text{PC} \sim +40$  degree celcius

Tripod screw hole: Yes

Vertical height (between two points): Yes

Continuous measurement: Yes

Angle measurement: Yes

Angle switch: Yes

Golf tilt adjusted: Yes

Speed measurement: Yes

External display power switch: Yes

Speed range:  $18 \sim 300$  km / h

Dimension:  $118 \times 79 \times 42\text{mm}$

Weight with Battery: 223 gm
